GAULEY RIVER

October 14-16, 2011

The **New River** trip will provide a challenging and scenic ride through the New River Gorge, including a stop below the New River Gorge Bridge to watch *BASE jumpers* and *rapellers* launch from the bridge on Bridge Day. The **Gauley River** is one of the best and toughest whitewater rivers in the East. Those who have gone before come back year after year . . . find out what you've been missing! Join MSA for another exciting weekend in West Virginia as we ride the rapids and make new friends around the campfire for the eighth year in a row. There are several options so that you can raft the portion(s) of the rivers that suit you.
