

Driving Directions

We've moved to a new location at the rim of the New River Gorge!

We do not recommend using a GPS to find us!

If you are used to using a GPS enter in the physical address of the BP Little General Gas Station noted in the driving directions. The address of the gas station is 602 Main St East, Oak Hill, WV 25901. From there, you will need to do it the old-fashioned way and follow the directions highlighted below.

From the East via I-64 West (or I-81 South): Take I-64 West to I-77 north and then take Exit #48 to Beckley/Summersville onto US Route 19 North. Drive approximately 11.2 miles to the (East) Main St. exit. At the stop sign turn right (North). Follow directions from Main St. below. *This is the most common area we have problems with our guests using GPS units. The unit will instruct you to exit I-64 before exit 48, which will increase your drive time significantly.

From the North via I-77 South and I-65 East: From Charleston, WV, take I-77 South / I-64 East to Exit #48 to Beckley / Summersville onto U.S. Rt. 19 North. Drive approximately 11.2 miles to the (East) Main St. exit. At the stop sign turn right (North). Follow directions from Main St. below.

When you get to the Main Street Exit in Oak Hill, West Virginia, follow the directions below:

From Main Street Exit: Take the first left (**directly across from the Little General – BP Gas Station**) onto Minden Rd. (New River Gorge Adventure Park sign). It is approximately 2.9 miles to New River Gorge Adventure Park. Drive carefully down the mountain, it is fairly steep and narrow. At the bottom, drive slowly and watch for children and pets as you pass through Minden, an old mining community with the houses located close to the road. At one point you will make a sharp left, cross a small wooden bridge, and make a sharp right. At mile 2.1 you will turn right (look for the ACE sign on large pole) – **do not** go straight on Rocklick Rd. At mile 2.9 turn left at the New River Gorge Adventure Park entrance and stop by the Welcome Center to check-in.
